Main Entrance
ENTERPRISE SOUTH NATURE PARK
located at 190 Still Hollow Loop

The Park offers miles of walking paths, bicycle paths and off-road biking trails. There are areas for picnics and a small lake that attracts deer, turkeys and other park inhabitants giving visitors an opportunity to view the animals in a natural setting.

Still Hollow Loop circles the park perimeter and allows access to the park without leaving your car.

* Note: Trail Mile Marker Posts and Gates are numbered and can be used for reference during an EMERGENCY and/or for trail maintenance. Call the ESNP Visitors Center at (423) 893-3500 for ALL emergencies, inquiries and maintenance issues. When possible, let them know the name of the trail and/or nearest Trail Mile Marker Post or Gate #.
