

Pleasant Hill Lake

Location:

Pleasant Hill Lake is located in Ashland and Richland counties near Loudonville, Ohio. The lake is accessible via State Route 95.

History:

Pleasant Hill Dam was constructed in 1938 on the Clear Fork of the Mohican River for the purpose of flood control. The Muskingum Watershed Conservancy District (MWCD) owns the lake and surrounding land, and is responsible for managing conservation and recreational activities. The dam is owned by the U.S. Army Corps of Engineers (USACE).

Stats:

Acres of water: 850

Licenses:

State licenses are required by the Ohio Department of Natural Resources for boating, fishing, and hunting.

Boat Launching:

One public boat launch ramp is located on Pleasant Hill Lake on Covert Road off State Route 95.

Fishing:

Pleasant Hill Lake is home to bluegill, bullheads, channel catfish, crappie, largemouth bass, muskellunge, saugeye, smallmouth bass, white bass, and yellow perch.

Hunting:

Hunting and trapping on MWCD land is regulated by the Ohio Department of Natural Resources, Division of Wildlife, which issues a publication detailing Ohio hunting and trapping regulations. To request this publication, please contact the Division of Wildlife or pick one up at the MWCD main office in New Philadelphia. In the interest of safety, hunting on MWCD land is prohibited within 500 feet of "restricted use" areas, buildings, and public roads.

Information is also available about other MWCD lakes:
Atwood - Beach City - Charles Mill - Clendening - Leesville
Piedmont - Seneca - Tappan - Wills Creek
