

FAYE WHITTEMORE NATRC RIDE

Competitive Trail Ride

May 20-21, 2017

Faye Whittemore Farms is located in the rolling hills of North/Northwest Alabama (just 30 miles north of Birmingham). With trails winding along scenic creeks, this facility has been recognized as an outstanding trail ride destination by RFD-TV's 'Best of America by Horseback'. Footing is variable and can be rocky. Shoes or Boots are recommended. There is good water along the trail for horses, and much of the ride will be in the shade.

The ride will be over a marked trail within a specific time period to evaluate horse and rider. This is not a race. Distance conditioning, safety, equitation, trail manners and ability, way of going, soundness, and teamwork, as well as safety and care in camp are all part of the competition.

A full-service campground and paddocks is available. Meals can be purchased individually or as a package. Make Reservations for camping and meals with Ricky Whittemore at 205-522-4137.

General Requirements: A saddle is required, with no restrictions as to type.

JUNIOR RIDERS MUST WEAR HELMETS WHILE MOUNTED AND MUST RIDE WITH A PARTICIPATING SPONSOR. Please check our website for a complete rule listing.

Drug testing may be conducted. Stallions must be in control at all times, double tied, and ridden only by an adult. Equines must be kept in paddocks provided. Riders must care for their own mounts while in competition.

Ride notes: Check-in begins Friday at 1:00 PM; vet-in starts 2:00 PM.

All riders must come to briefings Friday.
